Customer Tracking Number: _____

Order Number: _____

Dealer ordered from if applicable: _____

Date of Order: _____

Enter what core(s) and quantity you are sending in:

_____

_____

_____

- Once we receive your core(s) it may take up to 24-48 hours before your order ships from us depending on work load. We will email tracking when order ships.
- If sending in 7.3L injector cores, your order will ship per our website advertised lead time from the day we receive your cores.
- Keep a copy of all tracking numbers used to send cores to us and check tracking with your carrier for delivery status before calling in and checking if we received your cores.
- We do not send out confirmation of receiving your cores
